

Harper Creek Middle School 5th Grade Supply List

Welcome to middle school! One of the biggest indicators for success in 5th grade is being organized. This year it will be **especially important** that you have all of your materials with you when you come to school and that they are organized and easy to transport when you are working at home. Therefore, you will need the following items, and they will need to come to school with you **EVERY** day you are at school.

For Organization

- Backpack**
- TWO paper folders for English/Social Studies** (to organize loose papers and homework)
- 1-inch binder for math** (something inexpensive is fine)
- (You will find out from each specific team the first week of school how many binders/folders they would like you to have.)
- ONE pencil bag/pouch** (something inexpensive is fine)

Classroom Tools

- TWO one-subject spiral notebooks**
- inexpensive wired headphones/earbuds (not bluetooth)** - Earbuds will work best because they will transport with less chance of getting broken.
- 3x3 sticky notes** (small package)
- multi-colored highlighters** (small package)
- Ticonderoga pencils** (as many as you can provide): **This brand sharpens best!** Send some to school and keep some at home.
- small package of **red pens**
- small package of **pencil cap erasers**
- colored pencils** (8 or 16 count) **OR small box of crayons** (24 count)
- a handheld pencil sharpener with container for shavings**

Teachers' Wish List (Thank you!)

- Ticonderoga pencils** (as many as you can provide): **This brand sharpens best!**
- tissue** (as many boxes as you can provide)
- hand sanitizer** (as much as you can provide)
- cleaning wipes** (as many as you can provide)
- clear and clean **2-liter bottles** for science experiments
- picture or chapter books** to use in our classrooms for English
- dry erase markers**
- sticky notes (3 x 3)**

Thank you so much for your support with your child's education. We are looking forward to getting to know you and your child and making their 5th grade experience a positive one!

Sincerely,

Your HCMS 5th Grade Teachers
